BLACK AND GOLD

Volume XII

Perrysburg High School

550 E.S. Boundary Street

Perrysburg, Ohio 43551

To you Miss Elizabeth Munger, we dedicate the 1975 Black and Gold. . .

Dear to the hearts of those who knew her and were taught by her. . .Miss Elizabeth Munger.

Miss Munger is retiring after 42 years in the teaching profession. She will be involved with her hobbies of birding, bridge and books and do some writing. She hopes to be involved as much as possible with people, places, entertaining, the out of doors and books.

She was a charter sponsor of the Boosters' Club (now called the Pep Club); also a charter sponsor of the FTA (now SAE), Future Teachers of America, with Alice Morgan Kittle.

"Lib" planned and started the O.C. Treece Scholarship Fund in conjunction with Mr. Walter Hayes. Plays were given as one way to get funds in order to provide loans to high school students for schooling after high school. This fund is now in existence. The Bee Hive, recreational center for Perrysburg, started in Problems of America Democracy classes. The students were concerned about juvenile delinquency and wanted to do something about it. Committees were formed from classes. They visited organizations in town talking up the project. Rev. Mace, a Presbyterian minister, also worked with the group. The Bee Hive first met in the old Town Hall.

"Lib" was the ideal teacher, the ideal teachers' association member who worked and was sincerely interested in her peers. She was very dedicated in her work and felt that the classes got better as time went on. There was never a time when a cross word or a show of malice was expressed by her toward her fellow teachers. She not only belonged to her association but got others teachers involved. She was a professional and wanted others to be professionals. She deserves a good retirement and at the same time, her drive and energy will be missed by her association and fellow teachers.

Composed upon Westminster Bridge

Earth has not anything to show more fair:
Dull would he be of soul who could pass by
A sight so touching in its majesty:
This City now doth like a garment wear
The beauty of the morning; silent, bare,
Ships, towers, domes, theaters and temples lie
Open unto the fields, and to the sky;
All bright and glittering in the smokeless air.
Never did sun more beautifully steep
In his first splendor, valley, rock, or hill;
Ne'er saw I, never felt, a calm so deep!
The river glideth at his own sweet will:
Dear God! the very houses seem asleep;
And all that mighty heart is lying still!

—William Wordsworth

And to you Walt, we also dedicate this 1975 Black and Gold. . .

Walt Zieman with some of his momentos. . .

No matter how you cut it, Walt's the best. . .

TO WALT

What can you say of Walt Zieman
That's not been said before?
For thirty-eight long years he did
His job and much, much, more.
He's done so many things for us
Since we have been around
That listing all the kindnesses
Would cover lots of ground.
Perhaps best known as bus driver,
The best there ever was.
He never had an accident
And that is just because
He cared so much for all the kids.
And no one was more proud
Than Walt, when bussing winning teams,
Was part of that great crowd.
Seventy-thousand miles he drove
Without a bump or scratch
To set a record that we're sure
No one will ever match.
He's seen more high school sports events
Than anyone in town.
That's just another glowing jewel
In Walt's bright, shining crown.
He never took time off from work,
Not even a vacation.
They finally said, "You've got to rest.
Go get some recreation."
To list the rest of all he's done
Would surely take a while;
So let's just say a few more things
Walt's done (each with a smile).
He ran the busses, fixed the pipes,
Did the maintenance work,
Carried mail to every school
And not once did he shirk.
He shuffled risers back and forth,
Moved desks and chairs and junk.
He found the time to cheer us
When our spirits, low, had sunk.
But what of Walt, the man, my friends,
For this is how you measure
The qualities he has in him
That gave us so much pleasure.
His friendliness, his helpfulness,
His temper, always even.
He is a man who speaks the truth,
A man you can believe in.
He did so many extra things
We can not list them all,
But through the years he always seemed
To really have a ball.
And so we bid farewell to you,
Walt Zieman, our good friend,
But rest assured our memories
Of you shall never end.

Jenny Humphrey and Sue Dennis. Sue is President of the Student Council that did a fine job this school year. She filled in when it was necessary to elect a new president. Jenny was elected Vice President from her position of a senior representative. Both girls did a fine job in the running of the Council. Both girls were also absent when the group picture was taken and another was necessary of them to complete the story of Council.

Pam is President of the French Club. Her absence when the group picture was taken necessitated taking her picture at another time. Pam did a fine job of directing the running of the French Club.

Patty Ferguson— Second In The State Of Ohio

Patty is the first girl from Perrysburg to represent the school district in the state championship in track. She took second place in the high jump with a jump of 5' 3 1/4". She worked her way up to the state by taking second in the Northern Lakes League, first in the sectionals and first in the district.

Patricia Lynne Ferguson is a Senior at Perrysburg and will be greatly missed next year in Girls' Track.

BROSKE'S

1975 Black and Gold Staff

Editor Betti Duffy worked 11 months of the year getting this book out. She worked on every section.

Photographer William E. Hablitzel was the backbone of the entire book and worked on every section also.

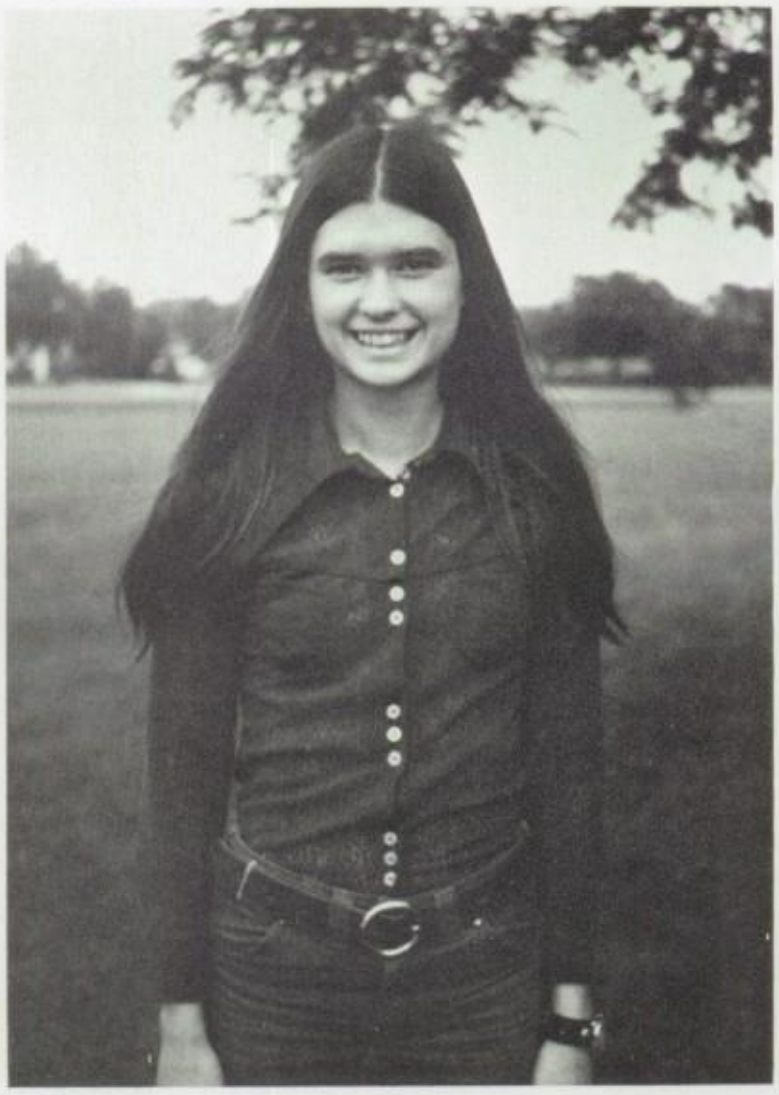
Cindy Schultz was Assistant Editor and spent time working with Betti on the various sections and advertising.

Sports Editor Jenny Humphrey spent many hours on the sports and attending the various activities. She finished her work.

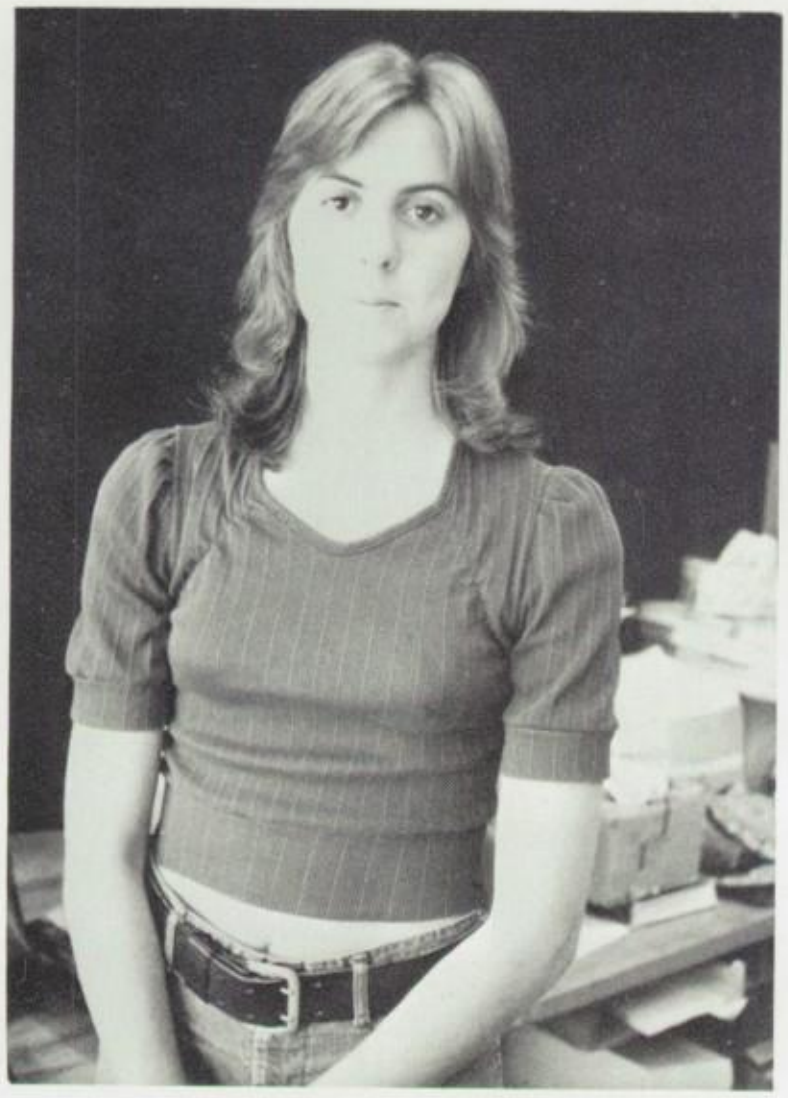
Lorraine Ryan—Photographer—has the big job of taking Bill's place. She will be a Sophomore and has some good experience to help her in 1976.

Kim Jamison worked on the underclass sections and also on the advertising. She has been a staff member for the past two years.

Tese Davis worked on the underclass section with Kim and was in her first year on the annual staff. She will get her feet wet in advertising on the 1976 annual.



Salli Parrish came on the staff late but worked well with Betti and will be working on advertising and sections of her own on the 1976 annual.



Donna Coulson was the secretary who typed and sent out bills and did some of the secretarial work on the annual. It was her first year on the staff.

Beth Stanford worked on the senior section and also on advertising for the book. It was her first year.

Chris Mercer worked on advertising and came up with some of the complimentary ads. This was her first year on the annual.

Work also takes a lot of prompting but really Betti and Salli are escaping classes.
